Upon registration, you will be sent the final conference schedule and accommodation information.

Space may be reserved and names submitted later. All reservations are tentative until payment is received. If you know who will be attending, please send us their names, titles, e-mail addresses, and how their names should appear on their name badges. In addition, if a community representative will be accompanying the registrant, please provide his or her name as well. Tuition for a physician, health care executive, or board member includes attendance at one Estes Park Institute conference and complimentary admittance for his/her spouse or a community representative who is not directly affiliated with the health care organization, but who may be involved with the health care organization in community health initiatives. When we receive your tuition payment, we will send a hotel reservation form. All cancellations must be confirmed in writing. Written cancellations received by Estes Park Institute 30 or more days prior to the opening of the conference are eligible to receive a refund, less a processing fee of \$150 per person. Cancellations received within 15–30 days of the opening of the conference are not eligible for a refund, but money will be held on account up to 12 months for transfer to another Estes Park Institute conference. Cancellations within 14 days of the opening of the conference and "no show" registrants are not eligible for refund or transfer.

Method of Payment

- Bill hospital/health system
 Payment enclosed (payable to: Estes Park Institute)
 Bill our credit card

Tuition

\$1,695
per person
